

Mims Elementary School
From the desk of Susan Doherty

8/11/11

Good Morning Staff,

In memory of my mother Elizabeth Mac Donald I would like to donate \$100 to Emmanuel House for whatever purpose you have in mind. Thanks to your loving staff and immaculate house keeping staff, my mother was safe and clean, and it gave her children Susan (me), John (the saint),

Jane + Elizabeth peace of
mind for the seven years
Betty lived with you.

On July 23 our family
gathered at the North River
in Marshfield, rented skiffs
with 6 hp. motors and boated
upto Nowell (our home town)
where we anchored and
scattered Mum's ashes and
dropped seven dozen roses
into the river. John
delivered a beautiful eulogy

in our mother and grandmother's honor. We then enjoyed a delicious dinner at PJ's Country House in Scituate, and had many laughs about Betty's dry wit, her stern manner when things weren't right (God love ym all) and her intellectual side. She used to tell us to stuse our heads for more than a hat rack.

I love ym all for taking good care of her.

Sincerely,

Susan Doherty
